PRESIDENT'S MESSAGE

Dear Students, Architecture, a creative option, for the students believe in making niche in the world through their left brains. Meticulous planning and impeccable execution are the two terms define Architecture as a whole. The demand for the architects is never ending. With the exposure to the world, the Architecture is flourishing in India as well. If you have knack of planning and urge for designing then opt for Architecture and set example for others.

Ar. Achal K. Choudhary

FROM PRINCIPAL'S DESK

Dear Students, "While educating the minds of our youth, we must not forget to educate their heart"

- Dalai Lama

Success comes to those who work hard and stays with those who don't rest on past laurels. School of Architecture, IPS Academy started its journey in the year 1994 with the aim to reach global standards by deliberate modernization without losing essential

characteristics of our tradition and also to create a class of future architects with creative learning and practical experiences. SOA is an amalgamation of competent teachers, state of the art infrastructure and an experienced and efficient Management, safe and supportive environment for the students to provide a perfect balance of academics, sports, artistic and social opportunities.
